### **Who can you help, what problems can you solve?**

Pioneer Auto Services can deal with tough car problems as well as the easy simple regular maintenance.

### **How can you help people reach their goals?**

By listening and using my experience and connections to put others in the right direction for help if it is not something that I can do.

### **Why choose you over the competition?**

The customer is always right. We do a job right the first time and all work is guaranteed. We have 39 years of experience. We work around your schedule and have a courtesy vehicle to transport you.

### **What is a good referral for you?**

A vehicle owner who is unhappy with their current mechanic service or those who want a second opinion. Someone who is wanting to purchase a used car and wants to have it inspected.

### **What is your dream referral?**

At & T or PG & E fleet truck servicing.
